12 January 1949

Rear Admiral J. J. Manning, CEC, USM Chief, Bureau of Yards and Docks Department of the Navy Washington 25, D. C.

In reply to your letter of 11 January 1949, I wish to advise you that, as you requested, we shall have someone, most probably General Wright, give the lecture at the Port Hueneme Seminar and also that we shall have a speaker for you at the Washington Seminar on 5 April.

I regret that on 8 March I shall be absent from Washington and will not be available for a visit to Hueneme at that time, but perhaps I shall be available for 5 April. In any case, we shall make sure that you have a speaker.

With very best wishes, believe me,

Sincerely.
